Lesson for July 5

THE BEGINNING OF FOREIGN MISSIONS

LESSON TEXT—Acts 13:1-12.

GOLDEN TEXT—And He said unto them, Go ye into all the world, and preach the gospel to every creature.—Mark 16:15.

PRIMARY TOPIC—Two Men Become Foreign Missionaries.

JUNIOR TOPIC—How Foreign Missions Began.

INTERMEDIATE AND SENIOR TOPIC—The Beginning of Foreign Missions.

YOUNG PEOPLE AND ADULT TOPIC—The Holy Spirit in Foreign Missions.

I. The Gifts of the Church at Antioch (v. 1).

Young as Antioch, the new religious center was, she had prophets and teachers. In Eph. 4:8-12 Paul declares that when Christ ascended He gave gifts to men for the purpose of perfecting the saints unto the work of the ministry. This shows that the church does not exist for itself, but for service to others. Christ, the head of the church, came not to be ministered to, but to minister and give His life a ransom for many (Matt. 20:28).

1. Barnabas and Saul Sent Forth (vv. 2-3).

These were the first foreign missionaries sent out. While the five ministers were praying and fasting the Spirit of God commanded them to send forth Barnabas and Saul. The work of evangelizing the world was laid so heavily upon those men that they refrained from eating in order to seek the will of the Lord in prayer. This is the kind of fasting that meets God's approval. From the fact that they were directed to set forth those whom the Spirit called, we learn that the real call to Christ's service comes from the Spirit. The Spirit called and the church seconded the motion by sending those who were called by Him. The church should be constantly seeking the mind of the Spirit relative to the sending forth of laborers into the vineyard. The Spirit called and the church sent the very best men from the church at Antioch. These men seem to have been ready to go for they rendered instant obedience. This should be our attitude toward the Lord's work, holding ourselves in readiness for the immediate execution of His commission. Those who have received the Spirit's gift are not taken by surprise when the church sets them forward to their specific work.

II. Preaching the Word of God in Cyprus (vv. 4-5).

We are not told as to why they first went to Cyprus, but we are left to infer that it was owing to the fact that it was the home of Barnabas. He was acquainted with the country and people, and could thus be assured of a respectable hearing among them. Besides it is most natural that those who have heard the good news to go with it first to their kindred and friends. Andrew first went to his brother, and the men out of whom the demons were cast was it not the pleasure of his regard to follow Jesus, Christ commanded him to go home and tell what great things the Lord had done for him (Luke 8:39). As they went forth they carefully carried out their commission for they preached the Word of God, not current history, philosophy, ethics, etc. Those who are faithful to that will never preach anything but His Word. The great need today is Spirit-called, Spirit-filled men preaching God's Word. In fact Spirit-filled men will preach nothing else. The power of God and Christ can only be successfully applied by this means.

IV. Withstood by Elymas, the Sorcerer (vv. 6-12).

Sergius Paulus, the deputy, invited Barnabas and Saul to tell him of the Word of God. Elymas maliciously sought to turn his mind from the faith. This is the first obstacle they encountered, but it was overcome through the power of the Spirit. This opposer is the same one who came to Adam in the garden of Eden, and Jesus in the wilderness. He is the enemy of God and man. He now sought to bar the gospel as it entered upon its career of the conversion of the heathen. Paul denounced him in the most scathing terms. He called him the child of the devil, denounced him as full of guile and villainy, pronouncing him the enemy of all righteousness, accusing him of perverting the right ways of the Lord. Surely a man is never more of a villain than when trying to turn a soul from the gospel.

Our Life

We are living now by justice, honor and mercy, by the truest mastery of ourselves and of our time; and this while in time is not of time; it is life in God and for God; it is the life of eternity. It is free from anxiety, fear, doubt, despair, death; it is content with God and with its fate in God —George A. Gordon.

BILIOUSNESS

Retired Minister Tells How He Keeps in Good Form.

The Rev. Lewis Evans, a well-known retired minister, past 80, living at West Graham, Va., says:

"For years I had been suffering with my liver. Sometimes the pain would be very intense and my back would hurt all the time. Black-Draught was the first thing I found that would give me any relief.

"My liver has always been sluggish. Sometimes it gives me a fit of trouble. I have suffered a lot with it—pains in my side and back, and bad headache, caused from extreme biliousness.

"After I found Black-Draught, I would begin to take it as soon as I felt a spell coming on and it relieved the cause at once. I can recommend it to anybody suffering from liver trouble. A dose or two now and then keeps me in good form."

Made from selected medicinal roots and herbs, and containing no dangerous mineral drugs, Black-Draught is nature's own remedy for a tired, lazy liver.

Men and Money Make this Bank Secure.

THERE are two ways of measuring the strength and standing of a bank. In the first place money resources—capital and surplus—give it financial strength.

In the second place—and perhaps even more important—are men, the officers and directors. They give the bank character, determine and execute its policies.

This is a strong bank, a helpful bank because it has ample resources, and a personnel of proven character and ability.
